Coaching Evaluation
2019/2020 Season**

Dear Hockey Parents,

The success of our program and development of your player is, in part, directly related to the quality of our coaching. It is critical to our program that we receive feedback that can be an aid for coaches to make necessary adjustments. The Executive of SDMHA would appreciate all of our parents to complete an evaluation for their coaches. We would like to receive these evaluations for the coaches' current year of coaching.
