

Special Meeting Regarding COVID-19 Protocols

October 4th, 2021 at 1930

All Members Present except Mike White

Reviewed how the ice time needed to work between games due to need to use two dressing rooms and clean between each game. May be able to not do floods to save time. Max number in dressing rooms is 11. May need to curfew some games. Showers should not be used.

Chris discussed the need for a separate exit.

Discussion about practices and having the door locked. Teams arrive 15 minutes before and the coach screens them in and everyone enters at the same time.

Discussion about how the position for covid screening should be a hired position by the arena. Chris will take this back to Richard. As well as discuss protocols about cleaning and separate exit.

Motion by Jamie "to put the season on hold until the arena agrees to hire someone."

MOTION DEAD

Some conversation about added development for the U11 group that did not make the BB team rather than entering them in as an AE team.

Special Meeting Regarding COVID-19 Protocols

October 6th at 1930

Review of the COVID-19 protocols and the concern that the ownness should be on the arena. Lack of a clear plan from the arena to provide us guidance.

SDMHA executive feel they have no choice but to put in a formal complaint with the arena board.

Discussion about how to recoup the cost of lost ice time and potential cost to hire someone for the door. This will need to be done next year.

Chris will reach out to arena board chair John Roch to discuss who is responsible for COVID-19 vaccine confirmation, as well as full plan and points of exit.

As a minor hockey association we are responsible for ensuring we meet the OMHA mandate which comes into effect October 31st.

Chris will follow-up once speaking with arena board chair as to next steps.
