Discussion was held about the U9 MD program. Presently approximately 16 skaters. If we run an MD program this is comparable to the previous U9 BB – rep program where they will get two extra practices a week. They will have less games depending on number of centres entering teams. Discussion around U8 and mixing with U9 but this is not possible because U8 are only able to play ½ ice for the entire year.

3. **Motion by Jamie** “U9 MD seasonal structure to be carried out this year at SDMHA, families who have concerns can meet with executive to discuss the differences between MD and LL.”

2nd Jane Price **Carried** **Approved by all.**

**Executive are able to attend U9 parent meeting if required or parent concerns.

4. **Motion by Kim** “to accept Pat Kinlan as the U9 BB coach for the 2022-23 season.”
